To whom it may concern

I am writing to provide a character reference for Annie Ritenour, who is my best friend and whom I have known for 12 years. I am aware of the charges brought against her and the upcoming court proceedings, and I believe it is important to share my perspective on her character and conduct.

I have had the privilege of witnessing Annie Ritenour demonstrate unwavering integrity, compassion, and responsibility throughout our acquaintance. She has always been a person of high moral character, displaying honesty and truthfulness in all her interactions. Annie has consistently shown respect for others, treating individuals and animals alike from all walks of life with dignity and kindness.

During the time I have known Annie, I have seen her go out of her way to put others needs above her own if it meant helping someone in need. Whether it be sacrifices for her daughter, or spending time and money she didn't have to help someone less fortunate.

I have especially seen Annie show character and integrity in situations where she was put into difficult situations. Whether it be treating others kindly that have treated her poorly, or being composed and friendly courteous demeanor, Annie seems to go out of her way to make sure people in her life are happy and comfortable, even in periods when she has her own struggles ongoing with both life and mental health.

Based on my knowledge of Annie Ritenour, I firmly believe that the actions alleged in the charges against her are uncharacteristic of her true nature. I genuinely believe that Annie Ritenour is a person of integrity who made a mistake, and is deeply remorseful for the consequences it has caused.

I kindly request the court's consideration of Annie's overall character and previous contributions to society. I am confident that with appropriate guidance and support, she will continue to positively contribute to the community. I firmly believe that Annie deserves an opportunity for redemption and rehabilitation.

Thank you for taking the time to review this character reference letter. It is with great confidence that I eulogize Annie Ritenour as someone who I truly believe possesses the character and judgment for the betterment of our community, as well as those around her in her personal life, and I thank those involved in this process for taking my words into their careful consideration in their decision.
